

The WRX Club of Western Australia (WRX Club WA) is a CAMS and Subaru Australia affiliated club for enthusiast owners and drivers. Our passion is with the WRX & WRX STI and other Subaru turbo performance vehicles, but we're also open to members with other vehicles. There's no better way to improve your driving skills, increase your motoring knowledge and have a whole lot of fun, than to be part of our club and join others who share the same passion. We are not just a faceless website or forum. We have real members and real events.

SO WHAT DO WE DO?

Our calendar is jam-packed with events to suit everyone

- Regular Supercruises where we drive over some of the exciting roads in the South West of WA. These events usually include lunch and sometimes some fun navigation. Trophies are regularly given for best presented car at our supercruises.
- Driver training from beginners to advanced using experienced instructors. These are the best organised and most value for money you'll find anywhere in WA and include circuit driving at Barbagallo Raceway and Collie Motorplex, autokhanas and sprints at the RAC Driving Centre.
- Car displays
- Regular monthly meetings featuring interesting guest speakers.
- The Club Motorsport Championship (see website for details)
- The EVO vs WRX Motorsport Series

THEN WHY SHOULD YOU JOIN US?:

Well, just think of the benefits we can offer

- A large number of discounts from OE parts and dealer servicing to aftermarket modifications.
- Our website www.wrnownersclub.com.au and associated **Forum** where you'll find lots of info, pictures, events and links.....check them out!
- The club magazine **WRXpress** which comes out every two months.
- We are officially affiliated with **Subaru Australia**....that doesn't mean they tell us what to do, rather it gives us great contacts and access to Subaru Australia and the dealer network.
- We are affiliated with **CAMS** (Confederation of Aust Motorsport) which means you can get a competition licence through the Club and you have the protection of CAMS insurance in events we run.
- Advice from fellow members about the cars including modifications. We have all sorts from unmodified right through to some really wild cars, so don't let anyone tell you that the IWRXOC is conservative...far from it!
- Join other IWRXOC members competing in motorsport events such as Speed Event Series, MC Motorsport, AEM Classic Challenge and Speed Dome sprints and Targa West.
- The chance to win trophies and valuable prizes in the **Club Person of the Year, Club Motorsport Championship** and the **EVO vs WRX Motorsport Series**.
- The chance to socialise with a wide group of people from young singles through to families...we welcome everyone.
- Buy, sell and swap parts and cars with other members through the website and forum.
- We have a wide range of quality Club apparel and merchandise at very reasonable prices.
- You'll get some cool Club stickers.
- We are really nice people.
